EDUCATION

RUTGERS BUSINESS SCHOOL

Rutgers, The State University of New Jersey

New Brunswick, NJ

Bachelor of Science in Accounting & Accounting Information Systems

- GPA: 3.4/4.0 (Dean's List 2025)
- 150 credits expected by May 2028

PROJECTS

KPMG U.S. – Career Catalyst: Audit Job Simulation, Forge

September 2026

- Analyzed financial records and client data using Clara, Alteryx, DataSnipper, and Excel, completing the review in 2 hours, half the estimated time, without sacrificing accuracy.
- Developed an audit plan for a simulated client and performed accounts receivable procedures to evaluate whether balances were accurately stated.
- Mapped the client's process through a documented walkthrough, then delivered findings and recommendations in a recorded video presentation.

CVP Modeling Project – Managerial Accounting

Spring 2026

- Forecasted multiproduct profitability under changing business conditions by building a dynamic Cost-Volume-Profit model in Excel for a simulated client.
- Calculated and structured formulas so assumption changes automatically flowed through the full analysis, producing a reusable "what-if" financial planning tool.

Form 10-K Analysis, E.L.F. Beauty Inc. – Financial Accounting Project

Fall 2025

- Evaluated a publicly traded company's Form 10-K, assessing capital sources and uses, the independent auditor's opinion, and internal control effectiveness to determine long-term outlook.
- Presented a stock purchase recommendation to stakeholders based on financial statement analysis.

Kaito Bubble Tea, Edison, NJ – Management Skills Project

Fall 2025

- Collected and evaluated operational data through in-person interviews, site visits, and questionnaires for a 12-employee small business to diagnose recurring communication and output problems.
- Recommended a two-way feedback and OKR system to strengthen cross-organizational communication, presented to ownership as the outcome of a semester-long consulting engagement.

PROFESSIONAL EXPERIENCE

Rutgers University, New Brunswick, NJ

Orientation Leader

Summer 2026

- Delivered live presentations, campus tours, and student panels on academics, housing, and student life to a pool of 1,000+ incoming students.
- Led 20+ orientation groups and personally assisted 300+ freshmen, transfer, and EOF students, independently resolving a wide range of questions on the spot.

Mercari (Online Resale Marketplace), Fair Lawn, NJ

October 2022 – Present

Online Retailer

- Manage an online storefront with 200+ followers and 1,000+ engagements, using Excel-based recordkeeping to track listings and drive 2–3 weekly sales nationwide with 100% on-time delivery and order accuracy.
- Reduced expenses by more than \$250 by tracking packaging and shipping costs in Excel to analyze ROI.

Private Household, Fair Lawn, NJ

May 2025 – August 2025

Childcare Assistant

- Implemented individualized care strategies for two children with speech disorders, coordinating with parents to track progress and improving communication skills by 50% within 8 weeks at half the hourly cost of a speech therapist.

Cosmos Mini Mart, Paterson, NJ

August 2020 – September 2025

Cashier

- Led checkout operations for 15–40 customers daily with 100% transaction accuracy, and partnered with management to leverage a personal social media following, doubling customer traffic and increasing sales revenue by 10%.

CAMPUS INVOLVEMENT

Rutgers Accounting Association – Mentorship Program

Fall 2024 – Present

- Built a professional network of Rutgers alumni at Big 4 firms to gain insight into firm cultures and recruitment pipelines.

RHA Leadership Team Council – Engagement Director

Fall 2024 – Present

- Coordinate with Hall Government Engagement Chairs, Publicity and Technology Council Directors to align programming and promotion efforts, strengthening a consistent "residents-first" culture across campus.

SKILLS

- Microsoft Excel: Advanced VLOOKUP, Pivot Tables, and data tracking for cost/ROI analysis; proficient in Word and PowerPoint
- Accounting & Technology: Coursework on the growing role of AI in accounting and audit workflows
- Adobe Creative Suite: InDesign, Illustrator, Photoshop
- Web & Coding: HTML5, Java, basic website design and formatting
